Qualification: On successful completion of this course, you will be awarded the First Person on Scene intermediate © (FPOSi) – Level 2 BTEC Award, which is valid for three years. For best practice and to avoid ‘skill fade’ we support the wide recommendation of attending an annual update in first aid.

Pre-requisites: Our course consists of practical, hands on approach that will give the learner the ability to deliver effective casualty care.

Learners must be physically able to demonstrate the ability to perform the practical elements of the course i.e Cardio Pulmonary Resuscitation in the kneeling position for a minimum of two minutes.

Assessment and certification

There are two hours of knowledge and practical assessments. Knowledge is assessed by a multiple choice question paper; there are 25 questions and the pass mark is 70% Practical skills will be assessed by continual observation and the following skill stations:

- I. Basic Life Support
- II. Unconscious patient
- III. Control of major bleeding
- IV. Automated External Defibrillation

Further assessment will be made during practical scenarios:

- I. Unconscious patient with blocked airway
- II. Oxygen administration
- III. Removal of crash helmet
- IV. Immobilisation of a limb

Learners need a basic command of English

So whilst we are often able to provide support to people who for example do not have English as a first language, our ability to do so is limited by the time available and the number of people who require
